- C. Text: Ephesians 3.

- E. We should never be satisfied with the level of our praying.

### II. The posture in which Paul prays.

- A. Paul kneeled in his prayers even though the posture of prayers was usually standing. (Mark 11)
- B. Kneeling became a sign of deep reverence for God.

  - 6. The purpose of the armor of God is prayer. (Ephesians 6)
  - 7. We need to find someone to pray for us. If they do not know what to pray for us, we should ask them to pray Ephesians 3.

2. Love is the soil in which God planted us.
3. People will know that one is a disciple of Jesus by his love.
4. The love of God is beyond comprehension
5. God created us to be lovers by nature. (Romans 8)
6. Only when one understands the love of Christ is he able to accept Christ's love for himself and others. This is the key to intimacy with God.
7. We can emotionally experience the love of Christ when we understand His love.
8. The love of Christ is infinite.

C. Be filled with the fullness of God.

1. The fullness of God means to be filled with His presence, which is His resurrection power. (Philippians 3)
2. It is also the comprehension of the love of God.
3. The goal of our salvation is that we would be full of God.
4. Not being filled with God will affect my actions and emotions continually.
5. Our relationship to Christ is more important than all of our service for God. (Ephesians 4)
