## IS YOUR FAITH GROWING?

There are many different kinds of Christians - some are vibrant and growing, others are barely surviving. The good news is that God desires growth for all of His children and has provided everything we need to grow in Him.

*Jesus Changes Women* examines the various elements of spiritual growth and helps women discover how to grow strong in their faith. By looking at the lives of biblical women such as Deborah, Mary, Hannah, and others, you'll learn to root yourself in God's love, center your life on Christ, nourish your faith with Scripture, and enjoy fellowship.

If you want your faith to grow and blossom, this Bible study will help you learn what it means to become more like Jesus in today's world.
